

# Network Your Way To Success

**IN ORDER TO MOVE AHEAD** with your business, you need to see and be seen. Networking is the best way to do this. The *Her Business* Networks began 10 years ago in a small restaurant in Lower Hutt where a group of 28 women discussed a range of issues over nibbles and drinks.

Now there are 10 active *Her Business* Networks throughout New Zealand and more launching in 2006.

Meetings are informal, with networking, trading and mentoring. Successful role models educate and enlighten by speaking about their experiences, find inspiration and take the opportunity to build strong local and international network relationships with other women in business. It's only a two-hour per month (24 hours a year) investment in your business.

If you need a new challenge and have the energy and creativity it takes to be a *Her Business* Network Coordinator, email Miko at [herbusiness@xtra.co.nz](mailto:herbusiness@xtra.co.nz)
